## PRESS RELEASE

### GOVERNMENT OF ANGUILLA REPATRIATION FLIGHTS STATEMENT

H.E. The Governor, the Government of Anguilla and Anguilla Air and Sea Ports Authority in conjunction with the US Embassy in Barbados have considered and approved repatriation flights to allow citizens and permanent residents of the **United States of America, only**, who have been in Anguilla since the closure of the borders on 20 March 2020 at 11:59pm to leave Anguilla and return to the USA.

Flights will be facilitated by Seaborne Airlines/Silver Airways who have been working closely with the U.S. Embassy in Barbados to conduct the flights on April 4<sup>th</sup> from Anguilla to San Juan, Puerto Rico. These flights will not be allowed to bring in passengers into Anguilla as the sole purpose is to allow persons who are U.S. citizens or permanent residents of the U.S.A. to return home.

All U.S. citizens and legal permanent residents wishing to travel should immediately contact Seaborne Airlines/Silver Airways either by visiting their website [www.Silverairways.com](http://www.Silverairways.com) or by calling 1-(801)401-9103 or emailing [Resgroupbooking@silverairways.com](mailto:Resgroupbooking@silverairways.com).

At this time, there are no plans to facilitate further flights after April 4<sup>th</sup>. Therefore, eligible persons who decide against taking this opportunity will have to remain in Anguilla until the restrictions are lifted. Passenger departure protocols to be followed at the Clayton J. Lloyd International Airport will be announced in a subsequent release.

Please be guided according.
